EXPERIENCE

Southern Sewer Services

2023

Mobile Developer

Remote, US

Developed a user-friendly internal business app to calculate quotes for different and unique plumbing jobs.

Key Accomplishments:

- Implemented automated solutions for manual processes, resulting in a 80% reduction in time spent on a repetitive task and significantly increasing overall productivity.
- Consulted with the business owner, to successfully meet the view, functionality, and feature needs and expectations within the allotted time frame.
- From design to execution, planned, organized, and co-developed a user-friendly mobile app used by all employees.
- Collaborated closely with co-developers, utilizing strong problem-solving skills to identify and debug issues, resulting in enhanced project quality.
- Independently acquired proficiency in React Native, successfully completing a project in due time, demonstrating adaptability, self-motivation, and a strong commitment to learning new technologies.

AC Hotel by Marriott

2020-2022

Front Office Manager

Park City, UT

Welcomed guests from all over the world to the Wasatch Back and led a team to deliver the AC Hotel experience.

Key Accomplishments:

- Trained agents on technological tools and software, such as FOSSE and different Marriott applications, to improve efficiency and deliver exceptional service.
- Supervised and led a team of 7 front desk associates, ensuring smooth operations in the front office department.
- Conducted performance evaluations, provided constructive feedback, and collaboratively established work goals to enhance employee skills and productivity.
- Orchestrated financial oversight of the front office, including budgeting, forecasting, and expense control.
- Resolved guest issues and complaints promptly, ensuring a positive resolution and guest satisfaction.
